

Be our guest at **ACHEMA 2022** in Frankfurt

Dear Business Partner,

In a few weeks, it will finally be time for us to welcome you to ACHEMA in Frankfurt. For our long-standing and valued business partners, we have once again come up with many highlights this year to make your visit to ACHEMA unforgettable.

Discover our innovations at the Memmert booth

Memmert products impress with their innovation, intelligent design, highest quality and sustainability. So it's no wonder that our ACHEMA booth will reflect precisely these attributes. Visit us **August 22nd through 26th** at the Memmert **booth D7 in Hall 4.1** and discover our innovations, such as the efficient Advanced Peltier Technology, as well as the new brand for custom-made products, m360. Our experts from Sales, Development, m360, Global After Sales, Product Management and Marketing R&D are looking forward to welcoming you at our booth. Make yourself comfortable with a cup of coffee or a cool drink and exchange ideas with the Memmert Family about the latest industry trends and our effective solutions. We will be happy to send you a ticket voucher for ACHEMA 2022 - please do not hesitate to contact us in this regard.

Exclusive workshops with Memmert experts

Would you like to dive deeper into the world of Memmert products and services? We offer you the opportunity to take part in exclusive workshops with long-standing Memmert experts at ACHEMA.

For example, get to know our particularly sustainable products better, ask our technical specialists everything you ever wanted to know about Memmert products, or learn more about m360, our new brand for custom-made products. All Memmert training courses take place in room Good Will. You will find the specific schedule on the next page. We look forward to your participation!

The entire Memmert Family is looking forward to unforgettable days with you in Frankfurt!
