

## REACH conformity in accordance with regulation (EC) No. 1907/2006, Art. 33

Memmert GmbH + Co.KG is aware of its social responsibility and understands the influence its business operations have on the society and environment. The safety and health of people as well as environmental protection are matters that are close to our hearts.

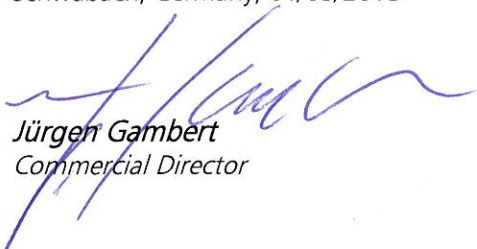

According to REACH, Memmert GmbH + Co.KG, with its electrical temperature control appliances, is a manufacturer of products and a so-called "downstream user" of small quantities and is thus not subject to registration.

Memmert GmbH+Co.KG delivers only non-chemical products (articles). These contain no substances intended to be released according to REACH article 7 under normal or reasonably foreseeable conditions of use.

Information on the ingredients based on statements from our suppliers. We regularly verify that our suppliers fulfill your requirements as well.

Correspondingly, to our present state of knowledge, our products do not contain more than 0.1 mass percentage of any substance on the candidate list (SVHC) of the European Chemicals Agency (ECHA). Memmert GmbH+Co.KG will of course continuously keep itself updated regarding this list.
